Dear Ms. Tate,

I am writing to express my interest in the position of Senior Project Manager, advertised on your company's careers page. With over a decade of experience in leading cross-functional teams and delivering complex projects within deadline and budget constraints, I am excited about the opportunity to contribute to Company Name's mission of driving innovation.

In my previous role as Project Manager, I successfully led a team of 15 professionals across multiple departments and was responsible for the completion of a \$10 million project that enhanced operational efficiency by 30%.
