Sorkin Legal

610 Fillmore St.

Colorado Springs, CO 80907

Dear Mr. Follers,

I, **[Your Name]**, hereby authorize my sister, clearly mentioned by name here in writing, to collect my legal certificate on my behalf due to unavoidable circumstances that prevent me from doing it myself. I have full trust and confidence in her to act in my best interest during this important process.

Kindly allow her to perform all functions that I could have, had I been present. Your positive compliance with this request is highly anticipated and will be greatly appreciated.

Best Regards,
